by

Gloria Kruse and Jean Sabo

This has been a wonderful year as Central started her second century of training high school students in St. Louis for citizenship in the community and the nation. The events and activities of the year have been different from those of last year's Centennial turmoil, but all around us we have noticed that happy daze which comes to you only when you are a senior in a high school such as Central.

When school opened on September 8, 1953, we found that two members of the faculty, Mr. Beezley and Mrs. Ward, had gone to other schools, but that a big brave driving teacher had come to take their place (Mr. Thuet, this means you!). Our enrollment of a little over one thousand students included over two hundred freshies.

JEAN SABO. All - Sports Queen

September was filled with bright bubbles and practically no troubles. Classes and clubs got off to a good start and, report cards were still in the distant future.

The Seniors looked forward to a wonderful term. They chose Ron Schnur as their president, Kathy Sandcork as vice-president, Joan McClellan as secretary, and Bill Davis as treasurer.

The New-Seniors also elected officers. Those elected were Don Meyer, president; Joan Allen, vice-president; Virginia Svoboda, secretary, and Gary Couch, treasurer. The New Seniors held their outing at Trout Lodge on September 27th. Miss Giles and Mr. Carlisle are their sponsors.

The Student Council officers were chosen as follows: President, Celeste Morales; Vice-President, Max Tarpley; Secretary, Gloria Kruse; Treasurer, Clyston Severs, and Sgt.-at-Arms, Eugene Brunk.

The chief event for the Seniors in October was Color Day. There were 49 members on the stage of the auditorium, as the Red & Black colors were passed on to Ron Schnur, by Shirley Kilgore, member of the June, 1953, Centennial Class.

The first issue of *THE NEWS* came out on October 9th.

On October 14th seventeen Central students entered the try-outs in the Voice of Democracy Contest. Richard Smith was the Central winner for the second straight year.

On November 10th a special award was presented to Central at the Annual St. Louis Day

Dinner of the Century of Commerce Club of the Chamber of Commerce at Hotel Statler. Stratford Lee Mortan, a Central Alumnus, is Chairman of the Century of Commerce Club and Joseph F. Holland, who was presiding toastmaster, is also a Central graduate. Mr. Alexander accepted the award which was given to the school for its hundred years of educational service.

"Education-Labor-Business" Day was celebrated at Central on Tuesday, November 17, with an auditorium session and a luncheon in honor of our guests, who included about twenty prominent leaders in business and labor organizations. They made many favorable comments about the school.

On December 4, the Lettermen's Club held its annual dance and selected an All-Sports Queen. The lucky girl was Jean Sabo. The other candidates were Joan Allen, Barbara Bell, Mary Jane DePauli, Pat Forsythe, Carol Hearst Goodman, Bonnie Jones, Mary Marschlewski, Celeste Morales, Kathy Sandcork and Virginia Svoboda.

On the New York Trip

In December the Choir and the Caroling group were kept very busy singing at hotels, parties and also in the Globe-Democrat Christmas Pageant at Kiel Auditorium.

The chief events in January were the Senior Prom at Hotel De Soto on January 22nd and the Graduation Exercises held here at Central on January 27th. Speeches were made by Jim Williams and Ann Wright. Ron Schnur made the welcoming address and Bill Clarke was the Narrator for the illustrated story of the term.

On February 1 a new term started and Mr. Robert Jaeger joined the Central faculty. 143 Freshies entered Central for the first time, making the enrollment 1043. The Seniors chose their new officers: Gary Couch, president; Irene Mirth, vice-president; Joan Allen, secretary; Larry Couch, treasurer. The New Seniors elected Les Bushman, president; Sharon Bresely, vice-president; Barb Folwarczny, secretary, and Bill Root, treasurer. The student body elected the following Student Council officers: President, Max Tarpley; Vice-President, Jackie Meyers; Secretary, Gloria Kruse; Treasurer, Pat Schumacher, and Sgt.-at-Arms, Kennard Vernon.

On February 11th Central observed its 101st birthday. The school *News* also came out on February 11th, with a special edition.

On March 1st about 30 Central students attended the Race Conference at Soldan-Blewett, and also in March, members selected from the social studies classes attended a mock trial at the

W. U. Law School. Judge Calhoun, the instructor who presided, is a Central Alumnus.

Career Day was held on April 2nd for the 5's, 6's, 7's and 8's. The students passed to various rooms where they listened to representatives of different occupations.

On April 4th, the Senior Outing was held at Pierre Marquette Park. Everyone had a wonderful time, including Doug Cremeens, who had had an unfortunate accident and was forced to buy safety pins from Bob Winter.

On April 22nd four Central students from the Radio class discussed the newly passed Curfew Law on Junior Town Meeting.

In April thirteen of Central's students took a full week off for a trip to Washington, D. C. and New York City. In Washington they visited the Capitol, the White House, the Washington Monument and other famous buildings. In New York they visited the U. N. Building, Radio Center and numerous other centers of interest. They also took a cruise around Manhattan Island and the Statue of Liberty. The lucky thirteen were Treasa Maloney, Joyce Onions, Chester Dorsey, Peggy Steward, Marian Brewer, Robert Landrum, Dorotha Shelton, Mary Price, Barbara West, Frances Jones, Jim Wagner, Bill Schulze and Herman Pendleton.

On May 5th the Toastmistress and Toastmasters held their joint meeting in B-7, preceeded by a luncheon.

On May 7th the Seniors had their Color Day. The girls were seen in their traditional white dresses and the boys in their new suits. Enough pictures were taken to make a movie.

Field Day was held at Public School Stadium on May 28.

On June 6 the Seniors had another outing. This time at Trout Lodge. They were sorry to see such a good time end.

On June 16th, 118 Seniors will walk regretfully and yet happily down the aisle at Beaumont High School to receive their diplomas from Mr. Alexander.

School closes for the year on June 18.

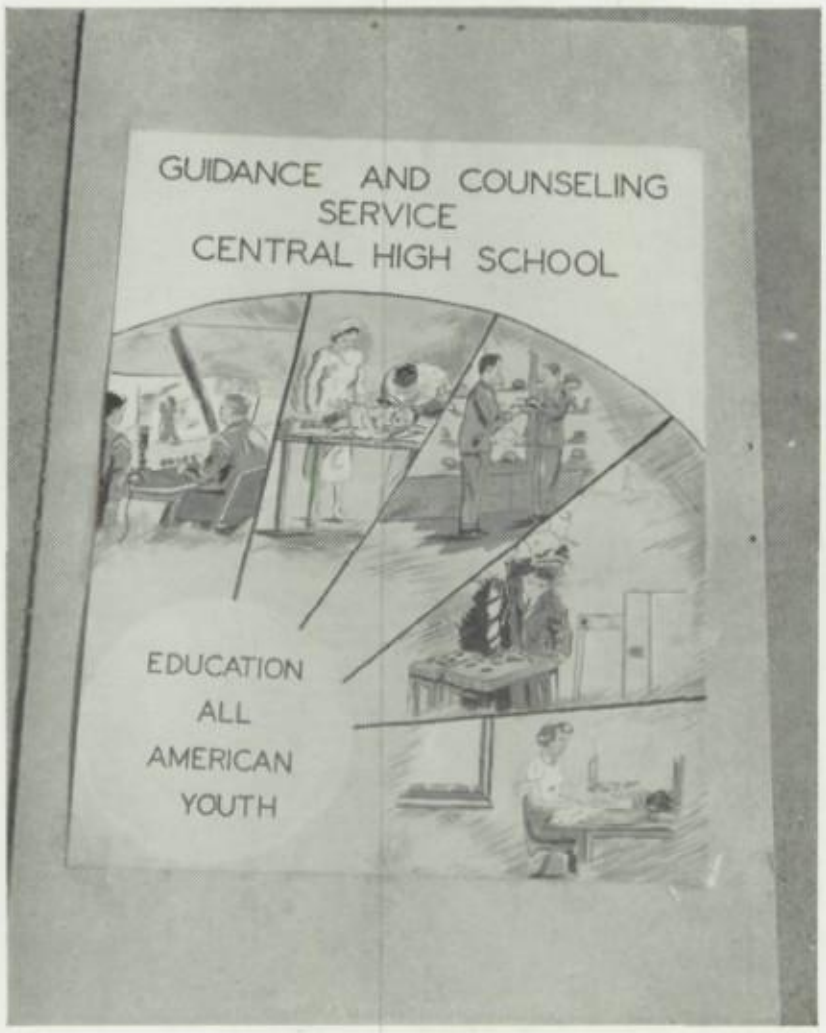
Guidance and Counseling at Central



Guidance and counseling services at Central High School are based upon the principle that "Guidance is any activity which influences any individual in making plans for his own future."

Our guidance program may be identified by three phases: Orientation, Educational Guidance, and Vocational Guidance. Included in all of these is also the factor of Personal Guidance. The elementary teacher, the high school teacher, the group adviser, the counselor, and the administrator must all work together to successfully fulfill the aims of any guidance program.

In the Central High plan, the school principal and assistant principal serve as the directors. They appoint a guidance committee of teachers, who have been certified as counselors by the Missouri State Department of Education. During the school year 1953-54, Mr. Russell W. Hibbert has served as chairman of the guidance committee and as counselor for the pupils of Sophomore and Junior groups. Mr. Leighton Martyr has served as Freshman counselor, Mr. Max Carlisle as Senior counselor, and Miss Ruth Colestock as testing counselor.

Much of the orientation guidance has been done in the Freshman year. It starts when the high school counselor visits the elementary school to interest the eighth grade pupils in a high school education.

The selection of high school subjects most suited to a pupil's needs embraces the scope of Educational Guidance. Most Educational Guidance is done by the teacher-advisers, some through the administrative staff of the school, and some through the counselors. Many individual pupils call at the guidance office for personal counseling, and each term an increasing number of pupils are referred to the counselor by his advisor.

Group guidance, as well as individual counseling helps to make a better informed pupil. At Central the group guidance program has included Auditorium programs, Guest Speakers, Visual Aids, Career Clubs, Multiple Counseling, Career Day, and field trips.

Vocational Guidance helps a pupil prepare to better meet the problems he must solve when he becomes a high school graduate. Counselors spend considerable time in helping pupils make their vocational choice during the time they are school citizens. Much of this individual counseling is based on the results of "Standardized Tests" interpreted by the counselor.

Placement service is a part of the total program of Guidance services. At Central many pupils are placed in jobs selected to meet their interests, needs, and capabilities. Placements in commercial work are cared for by Mr. Ralph Kirn, those in Industrial Arts by Mr. Jesse Vertrees, and those in Distributive Education by Mr. E. E. Chapman.

The Guidance and Counseling Service at Central endeavors to provide a well rounded program including both Group guidance and Individual Counseling, and to agree with the author who says, "Group Guidance plus individual counseling produces better results than either alone."

Central's "Co-Op" Program

Around forty Central High students are seen leaving the school soon after lunchtime each day. "Are they skipping?" you might ask. No. At least, most of them aren't. Their programs are arranged so that they can get to work early in the afternoon.

These students are the "Co-ops," enrolled in our two part-time work-experience programs, Distributive Education and Secretarial Practice. The Co-ops attend regular classes where they study about the work they are doing in the afternoon.

cedures during their eighth term. While doing this, they are attending school in the morning, and getting practical on-the-job experience in the afternoon. During the last year the girls have received their training in such businesses as insurance, finance, wholesale paper, newspaper, fuse and electrical manufacturing, as well as at several elementary schools.

Co-ops in Secretarial Practice and Distributive Education earn a credit for their class work and a credit for their successful work experience. The employers grade their work for each report

Secretarial "Co-ops"

Distributive Education students study about the distribution of goods; that is, the buying and selling of merchandise, with all the problems connected with that activity. They learn about the problems of both the employees and the management of stores. Each Distributive Education student learns and earns on the job, by working at least 15 hours a week in a store. Jobs range from stock work to selling, in such places as grocery stores, department stores, variety stores, drug stores, and others. Some 20 Central students have been in the D. E. program during the past term, having started as New Seniors.

Secretarial Practice "Co-ops" finish their training in typing, shorthand and office pro-

card period, by means of a rating sheet, for characteristics like "Ability to get along with others," "Initiative," "Punctuality and Attendance," and "Suitability to the job".

The teacher-coordinators, Mr. Chapman and Mr. Kirn, visit the students' training stations regularly, to observe them on the job and to confer with the employers about the training programs.

Employers like to take our selected Central students for training, because they progress faster on the job, and are ready to take over full-time jobs when they graduate.

Our Anti-Jaywalking Project

Last autumn, when the city of St. Louis launched an anti-jaywalking campaign as a phase of their major traffic control plan, the public schools were invited to cooperate. Since Central High School lies along a very busy thoroughfare, which most of our pupils must cross on their way to school, an anti-jaywalking campaign seemed a very practical and worthwhile project. It seemed an opportune time to try to establish in our student body a consciousness of the need for pedestrian cooperation to overcome the traffic hazards in our school community.

This project fitted in very nicely with the work of the American Problems classes, which had just completed the topic of "Propaganda and the Devices for Influencing Public Opinion". Both classes decided to test their skill in the use of these devices in an Anti-jaywalking Campaign. They drew up lists of things they needed to know before launching the campaign. Pupils at once volunteered to gather the information. From then on to the end of the project, time was given at the beginning of every class period to any committee of pupils which wished to report its progress or ask the class for advice or authority to pursue an activity. In this way pupils learned responsibility for group action.

One small group of students visited the Traffic Division in the City Hall to get a copy of the Traffic Code and learn the provisions of the ordinance on jaywalking. Another group visited the Police Station in our community to talk over our project with the Police and ask their cooperation.

The next matter to be considered by the classes was the diffusion of information to others. Ways and means for informing the whole school were decided upon. Every pupil agreed to advertise the project by speaking to at least ten other pupils not engaged in the project. The classes also selected the propaganda devices to be used, and grouped themselves into committees, each committee assuming the responsibility of using one of these devices. So they made up slogans and posters picturing the possible consequences of jaywalking. The slogan, "The life you save may be your own," figured prominently in the posters. The Principal and student leaders were interviewed for statements on the value and need of an Anti-jaywalking Campaign. These testimonials appeared in the daily bulletins and in the school newspaper.

Playing upon the desire of every school child to belong to a club, a committee decided to or-

Our Anti-Jaywalking Project

ganize an anti-jaywalking club in every advisory group. When the members of the advisory group signed a pledge promising to obey the traffic rules, they were presented with tags to wear as a sign of their cooperation. A roving class photographer snapped pictures of pupils caught in the act of jaywalking. These pictures and posters, exhibited in the corridors, aroused much interest and merriment.

As a result of this campaign, not only has jaywalking been reduced, but the students engaged in it received valuable, first hand experience with a phase of American citizenship — that is, dealing with a hazardous traffic problem. This practice also had democratic values. It impressed upon the pupils the social and political responsibilities of the individual to his community.

Allied Youth, Central's Largest Club

Allied Youth is a teen-age organization to help young people learn the facts about alcohol and face the social pressures of drinking.

It was organized in the early 1930's by Dr. Daniel A. Poling and a group of other national leaders who felt a new approach to alcoholism was in need.

Allied Youth is non-political. It welcomes all young people regardless of their faith. It sets no scholastic, economic or social standard for membership. The only requirement for membership is that you are in the age range of 14-30 years and interested in the objectives of Allied Youth, which are:

1. Teach the facts about alcohol;
2. Establish an alcohol-free fellowship of young people;
3. Conduct programs of character education, teaching individual responsibilities to the community and society;
4. Strengthen personalities among young people;
5. Help community understand its alcohol problem.

Officers and Sponsors of Allied Youth

All members are inducted using the induction ceremony. During the induction ceremony the symbols, which make up the Allied Youth emblem, are presented to its Post officers. The symbols are:

The Torch—Stands for enlightment, which lights the path by means of proper and correct educational facts.

The Shield—Stands for vigilance to guard us against the enemies of youth.

The Wreath—Stands for victory, sets for us a goal towards which we constantly strive.

The Golden Cord—Stands for unity of effort in a common cause for the welfare of society.

All members make an oral statement, during the ceremony, explaining his purpose in joining, saying: "My purpose in joining Allied Youth is to seek the truth concerning beverage alcohol and the best way of life in relation to this problem."

Allied Youth is mostly organized in high schools and colleges rather than churches and communities. It is co-educational while many other character building organizations aren't.

Allied Youth is one of the most popular clubs at Central as well as all over the United States. Allied Youth reaches out as far as Hawaii and Canada.

A Prize Student from Jugo-Slavia

One of our most interesting and talented students is Grozdana Lekich, a native of Jugo-Slavia. She is an earnest student of superior ability and artistic talent, winning several prizes with her paintings and posters. We are fortunate to have a photograph showing her native costume, and another displaying one of her unusual paintings. In the following letter Grozdana tells some of her experiences and impressions.

Dear Editor: It is a pleasure to answer your question concerning my impression of America and Central High School. From the story of my father, who lived in the U. S. A. for twenty years, this country became my dream. It didn't take too long, and my dream became a fact. When I arrived in the U. S. A. in 1951, it gave me impressions hard to express. New York was a very large city, and the people and society were strange and different to me. I had lots of difficulty because I didn't know English at all, and my three brothers and I did not have any place to live. It didn't take us too long to find a way out because we found jobs. Several church organizations tried to help us, and a teacher was even sent to teach us English at home. We were working and studying, too, and soon made enough progress to become a part of American society. We are proud and glad that we have a chance to live in the twentieth century in the great country of the U. S. A. My ambition is to pass through school and college. All I can say about the school is that the relationship between the boys and girls and the teachers is really good and modern. The principal and teachers are friendly and willing to help the students wherever they can.

Sincerely yours,

Grozdana Lekich

MR. E. W. ALEXANDER
Principal

With your permission, kind reader, may I quote from James J. Metcalfe:

Another year of school is gone . . . Commencement Day is here . . . And all the boys and girls are set . . . To give their loudest cheer . . . It may be just from grade to grade . . . Or into high school ranks . . Or qualified for college and . . . Their parents' happy thanks . . . Or maybe they have reached at last . . . The height of some degree . . . As they are graduated from . . . A university . . . In any case it is the day . . . To smile and celebrate . . . Because they need not watch the clock . . . For fear of being late . . . And whether they had eyes and ears . . . Or dozed throughout the year . . . The books and doors are closed once more . . . And it is time to cheer.

E. W. Alexander

MISS MAETA WENTZ

Administration

MR. OTTO P. ROST
Assistant Principal

MISS MARY BIRTLEY

The year 1954 has become a very important year in the history of education because of the recent decision of the United States Supreme Court concerning segregation in the schools. This action will change the practice of lip service democracy in our schools to a real live democracy in the very near future.

I personally believe that our Central High School student body is ready and most willing to adjust to an integrated school.

The responsibility for making a smooth transition from a segregated school to a non-segregated school lies with the parents as well as the pupils now enrolled in school. Central High School can, in this endeavor, become a model for other schools.

"Ave Maria"

ALUMNI PLEDGE OF ALLEGIANCE

I, John Smith, a graduate of Central High School, pledge allegiance to the ideals and prestige of my Alma Mater, past, present, and to come: I will defend her dignity and reputation through joy and sorrow, through calm and strife, through prosperity and tribulation as long as I live.

Hail To Central High

Words by CLARENCE STRATTON *Tune, "Annie Lyle"*

1. By the might - y Mis - is - sip - pi. Sweep - ing to the sea,
In the midst of noise and bus - tle, of the cit - y's life.
D. C
Stands our glor - ious Al - ma Ma - ter, Stands per - pet - ual - ly.
Calm, se - rene, re - served, and no - ble, Un - as - sailed by strife.
Chorus.
Sing our cho - rus of de - vo - tion, Till we read the sky,
Hail to thee, our Al - ma Ma - ter, Hail, to Cen - tral High.

2

O, to thee our Alma Mater,
Dignified and strong,
Now we raise our loyal voices,
Offer we our song.
Never shall we let our footsteps
Waver or turn back,
Marching ever firmly onward,
'Neath the Red and Black.

3

Thus we'll sing our heartfelt praises
Till our days shall end.
May thy spotless reputation
All thy sons defend;
May thy walls be never weakened,
Nor thy prestige die,
May the blessings of the ages,
Rest on Central High.

BASEBALL 1953-54

Though the Redwings' season of 1953 does not look impressive from its record, it must be remembered that Coach Bradburn had to rebuild on the remnants of the Championship teams of '50, '51 and '52. Using the remaining regulars that he had and working with mid-termers, "Brad" — as he is called by the team — gave every player a chance to gain experience from a high school game, thereby preparing for the seasons ahead.

Of the fourteen league games played by the Redwings, our team won two while losing twelve. In the first five games, Central lost to Soldan-Blewett, Roosevelt, Hadley, Cleveland and McKinley. But then the Redwings came back to defeat Beaumont (4 to 3) in a closely contested game. The next two games were lost to Southwest and Roosevelt, only for the team to overwhelm Soldan-Blewett (11 to 2) in a one-sided slugfest. But still, the season ended with Cleveland, Hadley, McKinley, Beaumont and Southwest, winning in that order.

In our only State Game, St. Louis University High won by the score of twelve to six.

Lettermen for the year were: L. Bushmann, T. Carroll, J. Goudy, D. Kahre, R. Mathews, A. Moser, R. Schnur, E. O'Connor, F. Pisciotta, R. Ritz, W. Root, H. Spink and R. Burling, Manager.

TRACK 1953

The 1953 Track Team had a very successful season, winding up in third place in the Interscholastic Meet behind Roosevelt and Beaumont. In the District Meet the Juniors took seventh place and the Seniors took eighth place. In the Maplewood Relays, Vernon Reed tied for first place in the pole vault and Max Tarpley took fourth in the mile. The team won most of its dual meets, winning notable victories over Cleveland, McKinley, Southwest and Soldan-Blewett.

Joe Crowe was high point man for the Juniors, scoring consistently in the 100, 220 and broad jump. Brunk scored in the broad jump and 880. Other good performers were Newmann in the low hurdles, Rimini in the 880, Dave Reed in the high jump, Ryan in the shot put, Skelly in the high jump, and Tompkins in the 100 and 220. The Seniors also had several real stars. Vernon Reed usually won the pole vault and broad jump. Max Tarpley usually took the mile and half mile. Harry Lemke scored in the high and low hurdles. In one meet Gary Couch took first in the four dashes and second in the high jump. Among the other Senior point winners were Choate in the hurdles, Rios in the 880 and Davidson in the hurdles and pole vault.

TENNIS 1953

There can be no mention of Central's Tennis Team without first speaking of its star and nucleus, Al Holtman. Al, an outstanding student as well as a great tennis player, has over a period of three years, twenty-one victories without a defeat — this is, of course, in league play. In that time he has captured the State High School Singles Championship three times running. And he still has one more season ahead.

Last year he joined Hal McKeever, another fine Central player, in the Country Day Tournament. They were able to pile up enough points to bring back the Tournament Trophy, though they only went as far as the semi-finals. Al brought the singles cup back also.

Unfortunately, Central has its same disease on the Tennis squad. We have a small team that needs more players, especially if we expect to win a couple of league championships.

Of course, if you do not think that this sport offers enough challenge, why not go out for the team and find out. If you expect to be any good you'll have to have strength, balance and perfect timing. Come on out and see if you have the stuff that it takes.

Holtman and McKeever were the only lettermen.

To a swell gal,
Andy Constantin

FOOTBALL 1953

The 1953 Football Season saw Central making its most impressive showing of recent years, and saw several of our players earning the honor of being chosen for the All-District and the All-Public League teams.

In each game our "Redwings" battled until the last second of the clock ran out, but still they were unable to win a game out of the six played in the league, and were only able to tie two.

In the first game, our Varsity fought McKinley, the 1952 League Champion, to a (0-0) checkmate. A strong Beaumont team defeated Central (14-0) in the second game, and Southwest, the strongest team in the league, passed over Central (34-18) in a gruelling game. Soldan-Blewett fought Central to a (14-14) standstill, and the Redwing's last two games, though sharply contested, were lost to Cleveland and Roosevelt.

Central's "B" team showed their strength by winning four of ten games, losing only four and tying the other two. With some of the "B" team moving up to Varsity next yeai, chances are that we will have a good season.

Varsity letters were awarded to Les Bushmann, Joe Crowe, Wayne Cupp, Bill Clarke, Jim Daugherty, Bob Griner, Ed Gambill, Bill Davis, Elmer King, Gene Knopp, Bob Lukitsch, Art Moser, Bob Panosh, Bill Root, Norman Wanger, Ronald Schnur, Bob Winter and Dave Grewe (Manager).

"B" Team letters were awarded to Ernest Fields, Don Fox, Jim Gambill, Farro Giannola, Leroy Killian, Gerald Lancaster, Don Mason, Mike Moran, Bob Murdock, Alan Polley, Charles Richardson, Fred Ryan, John Smith, Bob Tompkins, George Viviano, Charles Walters, Larry Randazzo, Ray Stiffler, Glynn Miller, Don Svoboda and Tim Montelione.

CROSS-COUNTRY 1953

Central's Redwings ran a long way last year and made some good showings. But this year, as in past years, our Cross-Country team was suffering from Central's most dreaded disease, an undermanned team. While most high schools put ten or twenty men on the field, we had only six.

The six, R. Allison, E.Brunk, R. Norvall, J. Rimini, A.Rios and M. Tarpley, all lettered. And they earned their right to those letters by refusing to give up against all odds.

Our Redwings were pretty tired by the time the season ended, for they had been able to capture third in the City Meet, seventh in the East Side Invitational and eighth in the State Meet. When one of our boys had an off day and did not take his usual place, we lost many points. Other schools always had somebody to fill in a vacant spot.

Central did not have a good season last year, but we had a good team — a team that never forgot it represented Central.

SWIMMING 1953-54

In the 1953-1954 Swimming Season, Central's "Mermen" captured third place in the City League, and tied for fourth in the State Meet. To show exactly how good our team was in the individual events of the City League, at least one of our men took either first or second place; and then in the stiff competition of the State Meet, we had two first place winners. With all but a few of the boys returning next year, Coach Ray Cliffe has high hopes for just as good if not a better season in 1955.

The first two City meets saw Cleveland and Beaumont swimming by our "Tankmen", but Central's swimmers came back in the third meet to defeat Roosevelt (61-26). In the last three meets, the Central "Mermen" scored continually to overcome Soldan-Blewett (62-14), then Hadley (42-35) and, finally, McKinley (68-9). The two extra meets against St. Louis U. High, our "Mermen" won by the scores 41 to 36, and 43 to 34.

Those receiving Varsity Letters were: R. Davidson, J. Hogue, C. Morgan, L. Smith, L. Bushman, W. Cupp, H. Bittick, J. Bittick, D. Mana, J. Wolfe, W. Freebersyser, J. Gunn and L. Killian.

BASKETBALL 1953-54

As the final buzzer rang the end to the 1953-54 Basketball Season, Central had a pretty dejected "Bunch" of players for a varsity team. The Varsity Redwings felt that they had let their Alma Mater and their school mates down by not winning a game out of the seven played.

But then, too, maybe we let our team down. When they went out onto the court, there were only a few (a very few) friendly faces to be seen in the stands to cheer them on. There was no one out there to give them that added courage and zest, so necessary to win. An excited yell might have helped the Redwings when they were putting on a sudden spurt that could have been a winning score.

I don't think we have our team to blame for their bad showing, nor was it Coach Carlisle's fault. We, the student body, are the only ones who can give our school a winning team. The players come from us, and if we give our wholehearted support, they'll win for us. "Come on, Central, let's go".

Special mention goes to Lajuan Kirk and Harold McCracken for their showing during the season.

TRACK 1954

Although we have to go to press before the 1954 Track Season is finished, we can include a brief account of its activities under Coach Kirn and the new Assistant Coach, Mr. Thuet. The team won three of its first six meets. Gene Pillman tied for third in the pole vault in the very tough District Meet. In the middle of the season the team was given a very hard blow by the injury of our star mile runner, Max Tarpley. The team includes about twenty-five boys, and all but six of them will be back next year. Following are some of the members with their main events: M. Tarpley, 880 and mile; G. Couch, 100, 220 and broad jump; R. Allison, mile; J. Hogue, 440, 880 and mile relay; E. Brunk, 880, broad jump and relay; E. Choate, hurdles, high jump and broad jump; T. Starr, hurdles and high jump; J. Barrett, 880; P. Newman, 880, hurdles and relay; R. Tomkins, 100, 220 and 440; R. Davidson, 100, pole vault and low hurdles; G. Schmitt, 880; R. Norvell, 880 and relay; J. Lupo, 880; J. Carrera, hurdles, 100 and relay; R. Murdock, 440 and 880; C. Richardson, shot put and 880; R. Schiley, R. Skelly, 220, broad jump and high jump; N. Wanger, shot put; D. Reed, 440; R. Bratkowski, 880; J. Gambill, 880; J. Rose, shot put; and B. Andre, 880.

The June Class "Will"

We, the June, 1954, Graduating Class of Central High School, being of ——— minds and sound bodies (we hope!), do hereby will and bequeath our following "acquirings" of the past four years to the remaining students.

To the fool who is willing to take it (he's not particular, in fact, he's glad to get rid of it) Elmer King leaves his ability to "sing". The Tony Martin of Central, Bob Follin, leaves his singing voice to Charlie Morgan, while Gloria Kruse bestows her voice upon Myrna Wray. Doug Creemens wants Bill Root to have his sense of humor, and Irene Mirth gives Gail Jewell her speaking ability. Marlene Understall receives Shirley Baldauf's friendliness, and Sharon Bresley, Joan Allen's personality.

"Generous" Dave Reynolds and Ted Gawlak leave their height to Dave Grewe and John Pendleton. Could you spare it boys? In the event that Richard Smith should need them (we doubt it) Gene Ethridge leaves him his brains. Jackie Myers shares her intelligence with anyone who needs it, while Nancy Graf specifically leaves her smartness to Jerry Barfield, because she thinks that he could use it.

Some of the teachers will benefit from the graduating class too. Norm Wanger wants to give Mr. Cartwright the "birdies" from his camera. Joe Crowe gladly gives Mr. Powell his chair in chemistry, and Bob Lukitsch wants Mr. Chapman to have all his undone homework in Retailing. Three vacant seats are left to the Band by Don Roberts, Bill Schulze and Max Mayberry. Thavius Lewis, Dennis Trimble and Wayne Burkhardt leave the fun they had in the Mike Club. Betty Parker, Karen Wray, Jean Pervorse and Luellen Whitney leave their homework to any other studious individual. The "unusual" sayings of Bob Panosh go to anyone that has the nerve to take them.

Betty McReynolds, Osa King, Pansy Nicholas and Shirley Richardson leave all the men at Central to posterity. This took a little doing, but Pat Kiel finally agreed to share her boyfriends with the rest of the girls. Mary Ellen Weaver bestows her pleasing smile upon Willodene Drake: and, if Pat Shumacher wants it, she can have Bonnie Jones's laugh. Barbara Bell's absent-mindedness goes to Mary Huermann. Norma Bronsky bestows her sweet ways upon Carol Pitzer.

The time and space they took up while at Central are left by Joe Monterosso, Ron Suerman and James Wolfe. Those happy to be just leaving are George Brown, Jerry Gunn, Max Mayberry, Doyle Rayfield, Floyd Baumbach and Joe Benwell. Rich Allison and Max Tarpley leave to the rest of the track team, the many miles that are ahead of them in the coming season. Larry Smith receives from Jim Hogue a pair of water wings with best wishes for a successful season in swimming next year. Frank Pisciotta leaves the entire baseball team his wishes for continued success. To Al Holtman goes one dozen slightly used tennis balls from Ed Gray and Harold McKeever.

Tom Dierzbicki, Andrew Marshewa and Lee Riebling bequeath their shyness upon (of all people!) Art Moser, Eugene Brunk and Perry Newman. Earl Costephens is leaving behind a sign "Hands Off" which he plans to pin on Barbara Folwarczny's back. The phrase "Have you paid your dues?" is left behind by Larry Couch to the next class treasurer. Gary Couch gives Lefty Bushmann his worries about making

The June Class "Will"

speeches at Color Day and Graduation. To Miss Amend, Gerald Right leaves peace and quietness for her advisory. And to all those *lucky* guys who are planning to visit Uncle Sam for a short vacation in the near future, Herman Pendleton leaves his Army experiences.

Geraldine Herkenhoff's classes at Hadley go to anyone who likes to ride streetcars. Joyce Shelton and Shirley Cannon leave their 7th hours to Mr. Rost, who will be glad to distribute them. Betty Halford, Virginia Svoboda, Gloria Wood and Juanita Errett leave the morning gossip outside B lockerroom to Judy Schwab, Eugenie Penningroth and Erna Hill. Shirley Lueckerath's driving ability goes to Irene Kogut, while Ruth Bader receives from Dorothy Pierce her sophisticated ways.

Mary Ann Gorski regretfully leaves the News office to Pat Welch and Gene Choate. Catherine Lemp bestows the school office upon Mary Birtley and Marian Bishop leaves "Wally" to Central. Rie Marchlewski, however, is not leaving anything. She is taking everything, including Joe Crowe. Barbara Tebbenhoff and Pat Reagan leave Miss Amend and their 6th hour gym class to Jane Eyre and Eileen Edwards. Jean Sabo bequeaths her crown to the lucky girl who will wear it next year. Dorothy Herchbach receives from Orcelia Armstrong, the "Ah" Meter in Toastmistress. To Mary goes some of Helen Pape's curley locks. Beverly Haefner couldn't be persuaded to part with her car, so she is taking it with her. Darlene Phinney and Pat Westerhold bestow their old detained slips upon anyone brave enough to use them. Jennette Waltman shares her tardy slips with Jean Massa. And Gene Knop refunds all his to Mr. Rost.

Betty McNulty gladly gives her locker to any girl who likes to climb a post (that's what she has to do to get in it). Jan Rutledge leaves her ability to bowl to Marge Cambill. Barb Gragg, Willene Beegle, Katherine Burke, Evelyn Bushen and Joy Nelms leave the typewriters in school for someone else to pound their brains out on. Earline Erwin, Carolyn Etheridge, Dixie Fisher and Iola Gee bequeath the lunchroom and its wonderful food to the incoming Freshmen, and Doris Wicks leaves her tininess to Frannie Winston.

To all the school the June Graduating Class leaves the swimming pool, the lounge, the elevators and classes without homework.
